MARKET VINEYARDS HISTORY

Market Vineyards is a dream brought to life by five partners, Steve Anderson and Daniel Schulte of Kansas City, and Matt Riesenweber, Bob Bertsch, and Kelly Precechtel Bright of Washington State.

Four of the partners have backgrounds in the financial market's arena and the other in custom construction. Their attention to detail and quality comes second nature. While vacationing, the partners sat on the rooftop of the Beijing Hotel overlooking the Forbidden City sampling a large variety of wines. The rooftop view was no less than world-class. Glass in hand, they decided to create a wine that matched the atmosphere they were enjoying. Their passion for wine led to the creation of the handcrafted wines they share with you today.

WINEMAKING PHILOSOPHY

Market Vineyards' philosophy is reflected by their choice in having one of Washington State's industry leaders, Charlie Hoppes, as their winemaker.

Market Vineyards takes pride on being able to have access to hand-picked fruit sourced from premier Washington State vineyards located in the Columbia Valley and Red Mountain growing regions. The attention to detail and premium quality is not just noticed in the fruit chosen but also in the artistic abilities in the cellar. Custom French and American barrels are hand-selected so they are properly matched for each vintage that is produced.

Arbitrage

This 100 percent varietal wine dazzles with complex aromas of concentrated dark fruits, barrel spices and earth. The flavors are well-balanced and layered with rich flavors of dark cherry, currant and black pepper. The wine is full bodied and lushly textured while retaining an exceptional sense of balance and depth. Revealing a long intricate finish that lingers against velvety tannins this wine will grow deeper, revealing its complexities as it ages. An elegantly structured wine that will continue to improve in the bottle for years to come. Drink now through 2024.
